EXPERIENCE

FRONT END DEVELOPER

Annex Logics System Pvt. Ltd. | March 2024 – July 2025

- Developed responsive web pages using HTML, CSS, JavaScript, and React, ensuring cross-browser compatibility and optimized performance.
- Collaborated with the design team to implement interactive UI components using React.
- Proficient in performing end-to-end testing using Cypress to ensure application reliability and bug-free deployment.
- Skilled in designing website layouts and prototypes using Figma to translate user requirements into effective UI/UX designs.

Intern – Fan Engagement & Anti-Ambush Operations

Indian Premier League (IPL) | Duration: 1.5 Months

- Assisted in executing fan activation strategies to enhance on-ground audience engagement and brand interaction.
- Supported the coordination of promotional events, ensuring smooth logistics and high fan participation.
- Actively contributed to anti-ambush marketing efforts by monitoring brand compliance and protecting official sponsor rights during live matches.

- Collaborated with event management teams to uphold brand integrity and fan experience across various venues.
